### دیباچہ

نباض قوم حضرت مولانا علامہ الحاج الشیخ المفتی ابو داؤد محمد صادق صاحب علیہ الرحمۃ کو اللہ کریم کروٹ کروٹ جنت نصیب فرمائے۔ ان کے بالکل آخری ایام میں کاروانِ طریق الحق کو ان کی قدم بوسی کا شرف ملا۔ ان کی جبینِ مہ جبین پر رگوں سے لکھا صاف پڑھے جانے والے اسم محمد ﷺ کی کاروانِ طریق الحق کے شرکاء نے زیارت کی۔ انھوں نے اپنی زندگی میں ایک معرکہ آراء کتاب لکھی جس کا نام تھا "خطرے کی گھنٹی" جسکی بدولت انھوں نے پیشگی صلح کلی خطرے کی اطلاع دے دی۔ ان کی یاد اور احترام میں، ان سے فیض کے طلبگار بن کر، ہم نے اس رسالہ کا نام بھی "خطرے کی نئی گھنٹی" <sup>1</sup> رکھا۔

### گر قبول افتد زبے عز و شرف

حسب روایت اس رسالے میں بھی ایک نئے صلح کلی خطرے کی پیشگی اطلاع دی گئی ہے۔ وہ خطرہ کیا ہے آئیے دیکھتے ہیں:

<sup>1</sup> Cry of New Alarm

## گولن تحریک

یوں تو ترک سوپ اوپر اور ٹی وی چینلز سے پاکستان میں مغربی ثقافتی (عملی) یلغار عروج پہ ہے<sup>ii</sup> مگر ہم یہاں ایک زیادہ خطرناک (اعتقادی) یلغار کی طرف توجہ دلانا چاہتے ہیں۔

گولن تحریک؛ ترک نژاد<sup>iii</sup> فتح اللہ گولن<sup>iv</sup> کے نام سے موسوم تحریک ہے، جسکو ہزمت<sup>2</sup> تحریک بھی کہا جاتا ہے۔<sup>v</sup> ہزمت سے مراد ہے کہ مسلمانوں (کی کم) اور غیر مسلموں (کی زیادہ) خدمت کرنا، مسلمانوں کا اولین فرض ہے۔ فتح اللہ گولن ایک ان پڑھ اور MADE IN USA شخص<sup>vi</sup> ہے جسکو امریکی خفیہ ایجنسیاں اپنے مذموم مقاصد کے حصول کیلئے ۱۹۹۰ سے فنڈنگ کر رہی ہیں<sup>vii</sup>۔<sup>3</sup> فتح اللہ گولن کا بدنام زمانہ چارلی بیڈو کے بارے میں مندرجہ ذیل بیان مستقبل کے ایک بڑے خطرے کی غمازی کرتا ہے:

"میں فرانسیسی میگزین چارلی بیڈو پر دہشت گرد حملے کی پر زور مذمت کرتا ہوں۔ دہشت گردی کے باغیانہ اقدامات شرمناک ہیں۔ ان سے تباہی، دکھ، تکلیف کے علاوہ کچھ ہاتھ نہیں آتا۔ میں دوبارہ ہر قسم کی دہشت کی مذمت کرنا ہوں چاہے اس کا ارتکاب کرنے والے کوئی بھی ہوں یا چاہے ان کا کوئی بھی مقصد ہو۔ میں متاثرین کے لواحقین، پیاروں اور اہل فرانس سے گہری تعزیت کرتا ہوں۔ دنیا کے رہنماؤں سے توقع کی جاتی ہے کہ اس ناقابل بیان سانحے میں جان تلفیوں پر حساسیت کا مظاہرہ کریں۔ میں دعاگو ہوں کہ خدا تمام انسانیت کو پُر امن دنیا نصیب کرے۔"<sup>viii</sup>

اس بیان سے اظہار من الشمس ہے کہ فتح اللہ گولن کسی بھی مقصد کیلئے قتل کو دہشت گردی قرار دے رہا ہے خواہ وہ جہاد ہو یا قتل گستاخ۔ اس بیان سے بالواسطہ وہ گستاخانہ خاکوں اور کارٹونسٹ کی حمایت کر رہا ہے اور اسی وجہ سے یہ گستاخ رسول ٹھہرا۔ فی زمانہ چارلی بیڈو کا واقعہ ایک کسوٹی بن چکا ہے، جو کوئی کسی بھی طرح اسکی حمایت کرے گا وہ گستاخ ہے۔ نہ صرف گولن بلکہ اسکے چیلے بھی ان نظریات کی ترویج کرتے ہیں، جیسا کہ ایک گولن این جی او نے کہا،

<sup>2</sup> ترکی میں ہزمت کا مطلب خدمت ہے۔

<sup>3</sup> He teaches that the Muslim community has a duty of service (Turkish: hizmet) to Muslims and non-Muslims all over the world; and that the Muslim community is obliged to conduct dialogue with Jews and Christians, agnostics and atheists.

[https://en.wikipedia.org/wiki/Fethullah\\_G%C3%BClen](https://en.wikipedia.org/wiki/Fethullah_G%C3%BClen)

’ہم چارلی ہیڈوپر حملوں کی شدید مذمت کرتے ہیں۔ ایسے دل دہلا دینے والے اقدام جمہوری اقدار پر حملہ ہیں اور جو بھی وجہ ہو (چاہے تحفظ ناموس رسالت) ایسے اقدامات کو منصفانہ ثابت نہیں کیا جاسکتا۔ حتیٰ کہ (شان رسالت میں) توہین پر بھی قانونی اور مہذب جواب ہونا چاہیے۔ ہم فرانس کے ساتھ ہونے والے غیر منصفانہ اقدام کے خلاف اظہار یکجہتی کرتے ہیں کیونکہ یہ معصوم لوگوں پر بزدلانہ وار ہے۔ ہمیں لازمی مقتولین کی عزت افزائی امن، برداشت، اور احترام سے کرنی چاہیے۔‘<sup>ix</sup>

ہادر ہے کہ یہی نیچ قادیانیوں نے اختیار کر کے جہاد کو متروک قرار دیا۔ یورپ کی دیرینہ خواہش ہے کہ مسلم کو پست کر کے دنیا پہ حکمرانی کرے۔ مسلم کو پست کرنے کے دو ہی طریقے ہیں: روح جہاد نکال دو، روح محمدی ﷺ نکال دو۔ تاکہ اس کے نبی ﷺ کو گالیاں دی جاتی رہیں، یہ بے سدھ سوتا رہے۔ اس مقصد کیلئے کبھی وہ قادیانی مہر استعمال کرتا ہے کبھی گولن مہر۔ فتح اللہ گولن ایک نئے فرقہ کی بنا رکھ رہا ہے<sup>x</sup> اور یہ ایک نئے اسلام کی بات کرتا ہے ’درمیانی اسلام‘<sup>xi</sup> یعنی شان رسالت میں زبان درازیوں پر برداشت اور صبر کرنا، گستاخ کیلئے ہر گز زبان درازی نہ کرنا، گستاخ کیلئے زبان درازی کرنے والے مسلمانوں کی حوصلہ شکنی کرنا وغیرہ۔ فتح اللہ گولن کو کبھی مسلمان تنظیمیں گستاخ قرار دے چکی ہیں۔<sup>xii</sup> فتح اللہ گولن اپنا وارنٹی نسل کی ذہن سازی کے ذریعے کرتا ہے جسکے لئے اس نے پاکستان سمیت دنیا کے بیشتر ممالک میں سیکنڈوں سیکیورسکول<sup>xiii</sup> کھول رکھے ہیں۔

ہمارا یہاں مقصد پاک ترک دوستی کو پامال کرنا نہیں۔ ہمارا مقصد فتنے سے آگاہ کرنا ہے چاہے وہ کسی ملک سے نکلے۔ پاک ترک دوستی بے مثال ہے خصوصاً محبت خلافت عثمانیہ کی وجہ سے اور ہمارے دلوں میں ترکی کی بہت عزت و انس ہے۔ اسلئے یہ بات ہمارے لئے بھی دھچکے سے کم نہ تھی کہ گولن فتنہ نے اپنے سینگ ترکی سے نکالے۔ ترکی میں فی زمانہ دو متقابل طاقتیں ہیں، ایک گولن تحریک پارٹی اور دوسری برسر اقتدار حکومتی پارٹی<sup>5</sup> (یادر ہے یہ ایک دینی پارٹی ہے جو کمال اتاترک کی سیکولر پارٹی سے جیتی<sup>xiv</sup>)۔ موجودہ ترک حکومت نے، گولن تحریک اور سکولوں کو باغی قرار دے دیا ہے<sup>xv</sup>، ترکی میں ان پر چھاپے مارے جارہے ہیں، گولن اساتذہ کو بلیک لسٹ کر دیا گیا ہے<sup>xvi</sup>، اور ترک حکومت گولن ملازمین و جرنیلوں کو بے رطوف کر رہی ہے<sup>xvii</sup>۔ ترک حکومت 19 ویں ویں جینل، ایک ریڈیو جینل، 22 بزنس کمپنیاں، ایک بینک، 2 اخبار، بند کر کے اس تحریک کا میڈیا بلیک آؤٹ کر رہی ہے<sup>xviii</sup>۔ خود گولن جلا وطنی میں ہے۔ ترکی میں 23

<sup>4</sup> یہ فافہ کش جو موت سے ڈرتا نہیں ذرا۔ روح محمدی صلی اللہ علیہ وسلم اسکے بدن سے نکال دو

<sup>5</sup> Justice and Development Party (AKP)

کمپنیوں کی سینکڑوں سٹور پر مشتمل تنظیم NT نے فتح اللہ گولن کی درجنوں جہاد مخالف تصانیف کا بائیکاٹ کر دیا ہے<sup>xix</sup>۔ موجودہ ترک حکومت ملک ملک جا کے ان کے سکول بند کر رہی ہے<sup>xx</sup>۔ اس سلسلے میں موجودہ ترک وزیر اعظم، پاکستانی حکومت سے ملاقات کر کے پاکستان میں بھی گولن سکولوں کو ختم کرانے کی کوششیں کر رہے ہیں<sup>xxi</sup>۔ آذربائیجان (جہاں 26 سکول اور ایک یونیورسٹی تھی) اور قزاقستان میں ان پر پابندی عائد کی جا چکی ہے<sup>xxii</sup>۔ امریکہ سے بھی رابطہ کیا جا رہا ہے<sup>xxiii</sup>۔ نیدرلینڈ، روس، ترکمانستان اور ازبکستان میں بھی ان پر پابندی عائد ہو چکی ہے<sup>xxiv</sup>۔ ترکی وزیر اعظم نے گولن تحریک کو 'خوف کی بادشاہت' قرار دیا ہے<sup>xxv</sup>۔ گولن سکولوں کے کئی درجن اساتذہ گولن کی مشکوک حرکات کو طشت از بام کرنے کیلئے تنظیم بنا رہے ہیں<sup>xxvi</sup>۔

مندرجہ بالا موضوع نیا و نایاب ہے، یہ رسالہ اس موضوع پر تحقیق کیلئے تشنگی آور ہے اور مزید تحقیق کا داعی ہے۔

## صوفی فری میسری

آپ نے فری میسری کا نام تو سنا ہوگا، اب صوفی فری میسری کا نام بھی سن لیجیے۔ فری میسری کی طرح گولن تحریک کی حرکات بھی خفیہ اور مشکوک ہیں<sup>6</sup> اور یہ اپنی کارستانیوں کو مخفی رکھنے کیلئے اپنے اداروں کی تحلیل کر کے نام بدل بدل کر مزید این جی اوز بناتے رہتے ہیں<sup>xxvii</sup>۔ گولن تحریک کے مختلف نام اور بھی ہیں<sup>xxviii</sup>۔ فتح اللہ گولن؛ ایک گُرد نقشبندی سید بدیع الزمان نورسی (جسے ترکی کا سرسید احق خان بھی کہا جاسکتا ہے) کی نور کو تحریک<sup>xxix</sup> سے متاثر ہے<sup>xxx</sup> اور یہ تحریک اسی کی تعلیمات پھیلا رہی ہے<sup>xxxi</sup>۔ نورسی کے عقائد کی ہی وجہ سے گولن سی آئی اے کا نورِ نظر بن گیا<sup>xxxii</sup>۔ وہ اکثر نورسی کا ذکر کرتا ہے اور اسکی نام نہاد صوفی تعلیمات کی اشاعت کرتا ہے۔ گولن، رومی کا نام لے کر شانِ رسالت میں گستاخیوں پر برداشت اور امن کا درس دیتا ہے<sup>xxxiii</sup>۔ گولن اپنے آپ کو خدا کی طرف سے چُنا ہوا خیال کرتا ہے<sup>xxxiv</sup>۔ گولن؛ علامہ اقبال<sup>xxxv</sup>، جلال الدین رومی اور پادریوں کا نام لیکر<sup>xxxvi</sup> نام نہاد صوفی ازم کا درس دیتا ہے اور اسی بنا پر رومی سرکل اور رومی فورم جیسی این جی اوز ابھریں۔ اسلئے اسکو صوفی میسری<sup>7</sup> کا موجد کہہ سکتے ہیں۔ صوفی میسری کی اساس صلحِ کلیت ہے۔ لوگ گولن کو صوفی مانتے ہیں مگر یہ کسی طریقِ سلوک سے منسلک نہیں<sup>xxxvii</sup> اور خلافتِ عثمانیہ کا بھی حامی نہیں<sup>xxxviii</sup>۔ گولن کو امام کہا جاتا ہے اور اسکے چار لاکھ پیروکار ہیں<sup>xxxix</sup>۔ مغرب اسکو سب سے با اثر اسلامی شخصیت سمجھتا ہے<sup>xl</sup>۔ اسکی گولن تحریک کو پوشیدہ اور غیر شفاف ہونے کی وجہ سے، عیسائی تنظیم اوپس ڈی<sup>8</sup> سے تشبیہ دی جاتی ہے<sup>xli</sup>۔ یہ تحریک بچوں کو سکولوں میں 'روشنی کے گھر' نامی جگہوں میں ذہن سازی کر کے 'فتحِ گولانی' یا 'سیما' <sup>9</sup> مریدین بنا رہی ہے<sup>10</sup>۔ پاکستانی رومی فورم میں 'رومی بات چیت' اسی سلسلے کی ایک کڑی ہے، جو COMSATS اور دیگر

## اس دنیا میں کچھ بھی مفت نہیں

دنیاوی اعتبار سے اس روئے زمین پر واقعہ کوئی چیز مفت نہیں۔ اگر بظاہر مفت بھی ہے تو یقیناً اسکے پیچھے چھپے عزائم بھی کارفرما ہوں گے۔ کسے یوک مو ایسوسی ایشن نامی این جی او نے پاکستان میں سیلاب زدگان کیلئے 296 گھر بنائے<sup>ccxxvii</sup> اور "پاک ترک انٹرنیشنل لیگ ایجوکیشنل فاؤنڈیشن" نامی این۔ جی۔ او نے 23 سکول کھولے۔ کیا یہ سب مفت ہے؟ کیا کوئی وطن عزیز سے اتنا مخلص ہے کہ مفت یہ کام کرے؟ یہاں تو پیسے کا حساب لیا جاتا ہے اور قیمت وصول کی جاتی ہے۔ ان این جی او ز کا مقصد گولن تحریک کو عام کرنا ہے۔ علاوہ ازیں، یہودیوں عیسائیوں کو خوش کرنے کی بنا پر نام نہاد انسانیت کے نام پر فتح اللہ گولن کئی انعام بھی پا چکا ہے۔ یاد رہے! فی زمانہ نوبل پر انزو وغیرہ کا مقصد غیر مسلم ایجنڈا کی سرمایہ کاری کے سوا کچھ نہیں۔

<sup>ii</sup> Since last summer, SEE TV, channel Urdu1 has enjoyed top TV ratings with its multiple daily airings of the Turkish soap opera Ishq-e-Mamnu, or "Forbidden Love", according to the New York Times . Afraid of being left behind, Geo Entertainment, part of Pakistan's biggest media empire spawned by recent media revolution in the country, has joined the bandwagon with its prime-time airing of Noor. It's a rags to riches story of a woman, and her adoring husband, played by the blue-eyed former model Kivanc Tatlitug.

While the soaps depict a Western lifestyle and deal with subjects that are considered taboo in Pakistan, they include characters with Muslim names which many Pakistanis can identify with.

Back in 2008, Saudi-owned Middle East Broadcasting Centre (MBC) bought Noor and broadcast it across the Arab world to win its hearts and minds. Now Turkish shows are dominating the Arab airwaves. Even Greece, traditional rival of Turkey, has become so hospitable to Turkish soaps that they "are gaining a worshipful

following in Greece ", according to Mary Andreou who writes for the Greek newspaper Adesmeftos Typos.

The Hurriyet reports that Turkish soap opera exports have grown from US\$1 million in 2007 to nearly US\$100 million today. Around a hundred different Turkish serials are exported in dubbed or subtitled form to North Africa, the Balkans, the Middle East, Asia, and Latin America.

Growing Turkish influence in Pakistan has its critics. Local actors and producers decry the new competition of Turkish soaps for "destroying our society" . Others see as part of the American conspiracy.

The Turkish influence is still small but rising rapidly, and the resistance from entrenched orthodoxy is increasing with it. It does offer hope as an anti-dote to the Saudi influence that is at least partly responsible for growing violence in Pakistan. While I do see signs of hope with the emergence of Turkey as model for Pakistan and other Muslim countries, only time will tell as to how this culture war unfolds to shape Pakistan's future.

<sup>vii</sup> The US agenda-setters, the real policy-setters (Neocons and realists alike) love Gulen and have been supporting/backing/funding/protecting him since the mid 90s; especially (mainly, that is) those operations conducted in Central Asia. This man who doesn't even have a high-school diploma has been promoted as a major 'scholar' by the CIA and the State Department, against multiple operations and investigations conducted by the FBI, and later by the Department of Homeland Security. So now: what's really up with Gulen? Is he "a man for all seasons" or "a man for all agendas" set by our real agenda-setters? - See more at:

<sup>viii</sup> I strongly condemn the terrorist attacks on French magazine Charlie Hebdo and in Paris suburbs. These revolting acts of terrorism are deplorable – they serve no purpose but to bring about destruction, sorrow and grief. I reiterate my

condemnation of all forms of terror regardless of its perpetrators or their stated purposes. I share my deep condolences with the victims' families, loved ones and the people of France. On this occasion, I also offer condolences and prayers to victims of recent terrorist attacks, including those in Turkey, Nigeria, Yemen, Pakistan, Iraq, Syria and Lebanon. World leaders are expected to show the same sensitivity about lives lost in such unspeakable tragedies, no matter where they occur. I pray that God leads all humanity to a world of peace.

<sup>ix</sup> Atlanta, January 8, 2015 - The Atlantic Institute strongly condemns the terrorist attack on the French magazine Charlie Hebdo. Such horrific actions represent an assault on democratic values and can never be justified no matter the underlying reason. Even against insults, the befitting response must be legal and civil. We stand with our French friends in solidarity against the unjust and, as President Hollande states, "cowardly assassination" of innocent people. We must all honor the victims by strengthening our commitment to spreading peace, tolerance and mutual respect. <http://theatlanticinstitute.org/atlantic-institute-deplores-shootings-paris-france>

<sup>x</sup> Others have described the movement as having "some of the characteristics of a cult". [https://en.wikipedia.org/wiki/G%C3%BClen\\_movement](https://en.wikipedia.org/wiki/G%C3%BClen_movement)  
 works of Turkey's Fethullah Gülen are up against strong vested interests. These ideals threaten the sinecures of many preachers, specialists in religious law, educators, and clerics. <http://en.fgulen.com/conference-papers/contributions-of-the-gulen-movement/2468-the-gulen-movement-its-nature-and-identity>

<sup>xi</sup> Gülen, a former imam, has attempted to present a moderate Islam to Jews and Christians, and, in turn, present them to Muslims. He was the first Islamic leader to have formal discussions with the Alevi, Christians, and Jews in Turkey, and weathered fierce criticism from hardline co-religionists for doing so. <http://www.gulenmovement.us/history-of-the-hizmet-movement-and-fethullah-gulens-philosophy-revisited.html>

Gülen's goals are simultaneously to Islamize the Turkish nationalist ideology and to **Turkify Islam**. He writes of an "**Anatolian Islam**" based on tolerance and excluding harsh restrictions or fanaticism and frequently emphasizes that there should be freedom of worship and thought in Turkey. He proposes two keys to provide peace in society—tolerance and dialogue. In February 1998, for example, he visited the Pope in Rome and received a visiting chief rabbi from Israel.

<sup>xii</sup> Radical religious groups who are strongly anti-secular and some Sufi leaders claim that Fethullah Gülen does not really oppose the secular state with his ideas and actions. This means that he is compromising religion with the secular and anti-religious groups. Some radical groups even accuse him of blasphemy. They view his interfaith activities as compromising instead of promoting religion.

These teachers are now blacklisted by the Erdoğan regime. Finally, when the government sought to sever any Gülen affiliation to the darshanes, they forced many of the prep centers to transform officially into private schools.

Editors and reporters were seen weeping as they shut down their 22-year-old broadcasts. On Wednesday, Kaynak Holding, Turkey's largest publishing house with over 8,000 employees, were confiscated by the Turkish authorities. It was, again, founded by businessmen close to Gulen. Bank Asya, was seized by Turkish authorities. The bank was founded by businessmen close to Gulen. Even housewives who deposited their money to the bank to boost its savings were arrested for "financing a terrorist organization." Nearly 50,000 entrepreneurs who sympathize with the Gulen movement forced to flee the country. <sup>xxix</sup> His first appointment in 1957 was to a mosque in Edirne. At roughly the same time, he was introduced to the teaching of Said-i Nursi (1876-1960), a politically active Kurdish preacher. Nursi influence: Nursi, whose name comes from the village of Nurs but brings to mind the word Nur, meaning "light" in Arabic, became the founder of the Nurcu (Followers of Light) movement. Although Nursi's roots were in the strictly orthodox and conservative Naqshabandiyah Sufi order (tarikat), his message was that Muslims should not reject modernity, but find inspiration in the sacred texts to engage with it. Izmir base: Gulen put Nursi's ideas into practice when he was transferred to a mosque in Izmir in 1966.

In addition to this history of a Turco-Islamic heritage, another influence on Gulen's movement was the Nur (Light) movement (also known as the Risale-i Nur movement). The movement was organized around Said Nursi (1877-1961), a prominent religious authority, and his writings, the Risale-i Nur (Letters of Light). It spread throughout Turkey after 1950, despite the state's efforts, and had special success among the young and those educated in Turkey's secular education system mainly because Nursi argued that there was no contradiction between religion and science.(2) The Risale-i Nur is well thought of by religious moderates because of its emphasis on the links between Islam and reason, science, and modernity. It also rejects the idea that a clash between the "East" and "West" is either necessary or desirable and advocates the use of reason and in issues related to Islamic belief.

<sup>ciii</sup> Questions have arisen about the Gülen movement's possible involvement in the ongoing Ergenekon investigation which critics have characterized as "a pretext" by the government "to neutralize dissidents" in Turkey. In March 2011, seven Turkish journalists were arrested, including Ahmet Şık, who had been writing a book, "İmamin Ordusu" (The Imam's Army), which alleges that the Gülen movement has infiltrated the country's security forces. On 14 December 2014 Turkish police arrested more than two dozen senior journalists and media executives connected with the Gülen movement on various charges.

In his memoirs Osman Nuri Gündes, former head of the Istanbul branch of the Turkish Intelligence Service (MIT) even mentioned "Bridges of Friendship" as the code name of those operations. This particular case of alleged abuse of the Gülen schools by the CIA was later elaborated on by Cibel Edmonds in her memoirs *Classified Woman: Sibel Edmonds Story*. Edmonds is a former FBI translator who later became one of the most well-known American whistle blowers in the domain of national security. Edmonds claimed that the key link between Fethullah Gülen and his movement with the CIA was Graham Fuller, a prominent intelligence analyst at the RAND Corporation, former CIA station chief in Kabul and Vice President of the National Intelligence Council. <https://www.opendemocracy.net/osman-softic/what-is-fethullah-g%C3%BClen%E2%80%99s-real-mission> Lecture on Gülen movement and protest against it, Berlin, March 2012/Demotix/Theo Schneider/All rights reserved
